SAUGEEN HOSPICE

Our vision is to provide compassionate and professional end-of-life services to our communities in a residential hospice facility serving southern Bruce and Grey counties.

Saugeen Hospice Receives its First Major Donation

Ken and Lynne Brown make a major pledge to help Saugeen Hospice reach its fundraising goal.

This is a pivotal time for Saugeen Hospice Inc. To ensure ground is broken, the Browns have decided to lead the push to take fundraising to the level that's needed, and make a major pledge of \$500,000.

Ken urges others to do their own research – sit down with their financial advisor and look into what can be pledged now while still protecting your financial future. He hopes his family's commitment inspires others to do the same, and step forward with the substantial pledges that will make Saugeen Hospice a reality "This hospice will be one of the most important health-care services in southern Grey-Bruce, second only to our hospitals," he said.

The Saugeen Hospice team has accomplished a lot – secured a perfect central location that's minutes from Hanover, Durham, Chesley, Mildmay, Formosa and Walkerton, as well as smaller communities; and seen final designs for a beautiful and desperately needed facility completed.

Board Update

The Board of Directors of Saugeen Hospice, along with many fundraising volunteers, have been working hard to build our hospice. With the assistance of “KCI Philanthropy”, we have initiated our major gift campaign.

Through the major gift campaign, our board is speaking to local businesses and members of our community for their assistance.

Plans are ready to obtain the Ministry of Health’s approval to build. The public has so far donated/pledged a remarkable \$4 million to the cause which helps kick off the final \$10M Build Fundraising Campaign.

All cost figures, building designs etc. are available for review at the Saugeen office at 7 Victoria Street, Walkerton.

Did you know??

We have an office space located at 7 Victoria Street South in Walkerton. If you are looking for information on building designs, cost figures, or if you have any questions, please visit Queena in our office. The office is open Monday to Friday from 6:45 am to 2:45 pm.

Be Part of the Giving Tuesday Movement!

Giving Tuesday was created to offer people a chance to give back during the holiday season.

This year, we invite you to support the building of Saugeen Hospice – a place where individuals and families facing life's most difficult moments can find peace, care, and compassion. Every donation, no matter the size, helps make this vision possible.

Join us and be part of something that truly makes a difference!
