Hike for Hospice

What's happening?

This spring, people across Canada will gather pledges and then Hike to raise public awareness for hospice palliative care. This major fundraising initiative will help advance the hospice palliative care initiatives in your local community.

What is Hospice Palliative Care?

Hospice palliative care provides physical, psychological, social, spiritual, and practical support to people living with life-threatening illness, their loved ones, and the bereaved.

Why Hike?

- 80% of Canadians say they want quality hospice at the end of life, yet less than 15% have access to it.
- Hospice palliative care is currently underfunded and under-recognized.
