

Committed to Compassionate End-Of-Life Care

SAUGEEN HOSPICE

SUMMER EDITION

Community Commitment to Saugeen Hospice in Progress

As the dream of Saugeen Hospice continues to take shape, one truth remains clear: it is the unwavering commitment of our community that breathes life into every step forward.

From generous donations to local events and to countless volunteer hours and shared stories — every gesture, every voice, and every action is part of something bigger. We are deeply moved and inspired daily by the care this community shows for one another.

To our volunteers and the entire community, your dedication is the heartbeat of this project. Together, with compassion and unity, we are building more than a hospice — we are creating a lasting legacy of care, comfort, and hope for generations to come.

Chair's Corner

Dear Supporters,

I want to extend my heartfelt thanks to each and every one of you for your unwavering support of Saugeen Hospice. Your generosity, encouragement, and belief in this essential cause continue to move us forward every single day.

I'd also like to recognize our dedicated fundraising volunteers. Thanks to their tireless efforts, events like the Hike for Hospice, the Garage Sale, and Golf for Hospice have not only raised significant funds, but have also brought our community together in the spirit of care and compassion. Their passion continues to inspire all of us.

As we look ahead, I'm excited about our upcoming Pedal for Saugeen Hospice event on August 24th—a day that promises to be filled with fitness, fun, and community spirit. At the same time, the Board's Major Gifts Committee continues its focused work to secure the funding needed for our new hospice build—a project that will bring care closer to home for so many.

Your financial donations remain essential to turning this vision into reality. Our goal remains clear: to raise the necessary funds and receive approval in time to break ground in spring 2026.

If you would like to learn more, or explore additional ways to support this vital project, please don't hesitate to reach out to Ken Brown or Charles Boulianne at 519-901-7011.

Together, we are building more than just a hospice—we are creating a place of comfort, dignity, and peace for those who need it most.

With deep gratitude,

Carol Kraft
Chair, Saugeen Hospice
